

## Report on

### “Free Graduate Employability Enhancement Training (GEET)”

**Organized by:** KKHSOU in collaboration with Learnet Skills Limited, New Delhi

**Date:** January 25, 2025

**Time:** 11:00 am

**Venue:** City Campus, Krishna Kanta Handiqui State Open University, Khanapara, Guwahati

### Introduction:

Krishna Kanta Handiqui State Open University (KKHSOU) has introduced *Graduate Employability Enhancement Training (GEET)* programme aimed at improving employability skills among its learners and alumni. The programme is free of cost and integrates both online and offline learning methods to enhance participants' career readiness.

### Training Details:

The training follows a unique blended-learning approach:

Total: 80-hours programme, combining-

- **70% Online Training**
- **30% Offline Sessions**

The key areas covered in the training programme include:

- Professional Communication
- Cracking Interviews
- Customer Engagement
- Domain Awareness
- Logical Reasoning
- Digital Fluency
- Sales Mastery

### Inaugural Session:

The programme commenced on January 25, 2025, at 11:00 AM. The session was attended by notable dignitaries, including:

- **Prof. Rajendra Prasad Das** – Vice Chancellor, KKHSOU
- **Prof. Pranab Saikia** Director, Indira Miri School of Education & Dean (Study Centre) (i/c), KKHSOU
- **Ms. Nivedita Barthakur** – Vice President and Zonal Head, Learnet and Schoolnet India Ltd.
- **Ms. Iram Hasan** – HRM & Instructional Design Specialist, Learnet Skills, New Delhi

- **Mr. Devendra Ranawat**, Project Manager, Infosys.

### **Participants & Selection Process:**

- A total of **60 participants** have registered for the training.
- The first batch of candidates will be selected based on a **screening test**.

### **Significance & Future Prospects:**

KKHSOU has consistently focused on skill development and employability enhancement initiatives. This training aligns with the university's broader collaborations with:

- **NCVET (National Council for Vocational Education and Training)**
- **CEMCA (Commonwealth Educational Media Centre for Asia)**
- **Learnet Skills Limited**

Through these programmes, KKHSOU strives to develop a skilled workforce equipped to meet the changing demands of the job market. This initiative underscores the University's dedication to enhance career readiness and fostering professional growth among its learners.

### **Conclusion:**

The *Graduate Employability Enhancement Training (GEET)* programme is a strategic step towards equipping learners with essential market skills. KKHSOU continues to lead in fostering employability initiatives, ensuring better career opportunities for its graduates in an increasingly competitive job market.

## Employability enhancement training prog at KKHSOU

GUWAHATI, Jan 25: The Krishna Kanta Handique State Open University (KKHSOU) launched an 80-hour graduate employability enhancement training (GEET) programme on Saturday at its city campus in Khanapara.

Designed exclusively for learners and alumni of the university, this free training programme aims to equip participants with market-relevant skills to improve their employability prospects.

The programme covers vital skill areas, including professional communication, cracking interviews, customer engagement, domain awareness, logical reasoning, digital fluency and sales mastery

The training is being offered in collaboration with Learnnet Skills Limited, New Delhi. A unique blended-learning approach has been adopted, with 70 per cent of the training delivered online and 30 per cent through offline sessions.

The programme covers vital skill areas, including professional communication, cracking interviews, customer engagement, domain awareness, logical reasoning, digital fluency and sales mastery.

The inaugural session was attended by several dignitaries including Prof RP Das, Vice-Chancellor of KKHSOU and Prof Pranab Saikia from the university. Special guests included Nivedita Barthakur, vice president and zonal head of Learnnet and Schoolnet India Ltd and Iram Hasan, HRM and instructional design specialist from Learnnet Skills, New Delhi.

A total of 60 participants have registered for the training and the first batch of candidates will be selected through a screening test. — Staff Reporter
